EYEMAGINE®

EYEMAGINE is a new breed of 'AI-led' digital agency

The traditional technology agency model isn't working for your business anymore.

- 93% of CEO's believe CX is a top 3 priority for their firms
- 19% of Senior Executives feel their CX roadmap is on the right track
- Avg E-Comm Project (9 months and 800k)
- 5 years to positive ROI
- 40%+ staff turnover in agencies
- 55% of IT projects go over budget
- 30% success rate on CMS projects

aiAccelerate is a proprietary end-to-end services delivery model **from inception to launch** that will:

- Reduce typical project delivery costs by 40-60%
- First year positive ROI
- Quantitative and measurable impact to KPIs
